Tournament Series

Championship Points System

Tournament Standings will be based on a points system. 50 points will be awarded to the 1st place team. Then each place after will be awarded 1 less point. The team weighing the "Big Fish" will receive 1 bonus point. Any team not weighing a fish will receive 10 less points than the last team weighing fish.

Example:	1st place	50 points
	2nd place	49 points
	3rd place	48 points
	4th place	47 points
	5th place	46 points
	
	12th place	39 Points

If **5th place** has the Big Fish, then **5th** will receive **46 points + 1 point = 47 points**

If **12th place** is the last team weighing fish, but 5 other teams fished and did not weigh, then those **5** teams will receive **39 points - 10 points = 29 points**

Any team weighing fish will receive a minimum of 10 points
